Insurance

If you have a health insurance plan that covers mental health services and you would like to use that benefit, please call your insurance company to find out what portion of the fee you would be responsible for including copays/deductibles for in-network and out-of-network providers.

Please contact our office to find out if we are an in-network provider for your insurance company. Some counselors accept Medicaid and Medicare.

Fees

Fees vary based on licensure and length of session.

A sliding scale based on income and number of dependents is available to clients who qualify at familycounsel.org/clientresources.
